## PROJECTS

---

### Portfolio Website | *HTML, CSS, Javascript*

Dec 2022 – Present

- Designed and developed a personal portfolio website using HTML, CSS, and JavaScript.
- The site serves as a showcase for my projects, providing a glimpse into my skills and passion for web development.
- Will be continuously updating the portfolio with new projects, skills and experience to demonstrate ongoing growth

### iOS App - NBA Trivia (In-Progress) | *C, Swift*

Jan 2023 – Present

- Collaborating with a friend on the development of the "NBA Trivia" iOS app, jointly sharing responsibilities in project planning, development, and feature implementation
- Developing an interactive iOS application, "NBA Trivia," using Swift and C on Xcode
- Creating a user-friendly interface for an engaging NBA trivia experience
- Integrating API calls to fetch real-time NBA data, ensuring up-to-date and relevant trivia content
- Demonstrating problem-solving skills in addressing challenges related to data synchronization and performance optimization

## LEADERSHIP/EXTRACURRICULAR

---

### Dixie Bloor Neighbourhood Centre

October 2020 - June 2021 – Present

*Mentor*

*Mississauga, Ontario*

- To encourage involvement and growth in order to build a pleasant and healthy community climate
- Identify and discuss community issues and concerns, plan and provide community programs and services, and encourage community engagement.
- Develop relationships with the youth while building trust, coaching, and educating the youth to make positive life changes
